## SEE THE BENEFITS

### of the BOSS Multi-Tasker Floor Machine

**Warranty:** "Best Warranty on the Planet" – 5-years on motor, gearbox and chassis.

- Powered by a precision-balanced, super heavy-duty 1.5 HP 66-frame motor for easy operation. Available in 175 RPM single speed or 175/300 RPM dual speed motors.
- Three interchangeable aprons with one base machine gives you a fleet of floor care machines for a range of tasks in any size facility.
- The triple-planetary high torque transmission handles the most demanding jobs.
- Strong, all-metal polished reinforced aprons. Easy to clean and look newer, longer!
- All metal chassis gives added weight for a faster, longer lasting and brighter shine.
- Safety-enhanced interlock switch on the handle leaves both hands conveniently in control. Safety-enhanced, non-conductive dual triggers on the handle eliminate shock potential.
- 48" tall handle is fully adjustable and is comfortable for all operators.
- Non-marking, super-thick bumper protects walls and baseboards.
- Includes 6" non-marking, fixed operating wheels for easy transport.
- Includes (1) 50-foot, 14/3-gauge safety power cord. Motor plugs into cable at the base of the handle for easy maintenance.
- **Includes three interchangeable aprons:** 13", 17" and 21", non-marking aprons with full wrap bumpers. Aprons mount with three easy-to-change thumb screws.
- **Includes three matching pad drivers:** 12", 16" and 20" pad drivers with B/92 style clutch plate.
- **Includes Unicorn Weight Kit:** add up to 50 extra pounds of pressure for a comprehensive stone and marble floor restoration program.
- **Includes 4-Gallon Solution Tank:** for productive wet cleaning.

**Order brushes separately.**

## APPLICATIONS

- May traditionally be referred to as a "Floor Buffer" and is specifically designed for cleaning, scrubbing or stripping floors (stone, carpet, tile or wood).
