by Ultimate Solutions

SEE THE BENEFITS

of the One-Touch Dry Scrub Floor Machine

Floor Machine Warranty: 1-year (including motor, handle assembly and all critical wear items)

Backpack Vacuum Warranty: Lifetime warranty on roto-molded body, 5-years on motor and 1-year on all electrical components.

- Heavy-duty, high quality components prepare floors to be refinished in half the time compared to the conventional stripping process.
- Cleans edges and corners in every room – no stripper run-off and no ruined floors under doors.
- Heavy-duty components provide durable and dependable scrubbing.
- No side torque and operates in any direction.
- Ergonomic carrying handle offers operator comfort and safety during transport.
- Convenient handle with dual switch levers for left- or right-handed use.
- Totally enclosed motor for less maintenance.
- Includes an Ultimate Solutions 6-Quart Backpack Vacuum hard wired to machine and mounted on handle that captures 95% of the airborne dust.
- Only takes minutes opposed to hours it takes for an operator to become acquainted with a conventional rotary machine.
- Precision balanced weight distribution for safe, even and aggressive cleaning with low vibration.
- Large, non-marking wheels for clean transport to protect completed areas.
- Safety enhanced interlock switch on the handle leaves both hands conveniently in control.
- Scrubbing and filler pad required with use of the machine.
- Includes (1) 50-foot, 14/3-gauge safety power cord.

APPLICATIONS

- Chemical-free stripping used for refinishing wood floors and scrubbing.
