

FOR IMMEDIATE RELEASE

Mercury, Sandia and Ultimate Appoint Vision-Driven Leader

Huntington Beach, California—May 1, 2013—Mr. William P. Allen, owner and CEO of Mercury Floor Machines, Sandia Products and Ultimate Solutions, is pleased to announce the appointment of Mr. Steve Hanig as Chief Operating Officer of his “Big Three” family of U.S. based companies. “Mr. Bill”, as he is affectionately known by his friends and colleagues, is extremely grateful for Steve’s acceptance of the newly created position.

“As a highly accomplished vision-driven leader, Steve knows growth. He has enjoyed extensive global business success - building championship teams with such industry leaders as Nilfisk-Advance, US Products, HydraMaster and Ecolab. Steve has already proven to be a magnet for attracting and retaining *the best of the best* as we continue our commitment to achieving accelerated growth by creating breakthrough opportunities with those we serve!

In Steve we have a rare “values driven leader” with the talent and integrity to realize our vision of being a Global leader in the hard- and soft-surface cleaning and restoration domains. Steve understands the gift of leading edge innovation and reflects our relentless commitment to being an industry leader by creating dynamic value with unmatched service excellence.

Steve will move with extreme velocity to align each of our company’s unique expertise to realize untapped synergies that will most certainly deliver huge payoffs to both our internal and external clients.

Steve recognizes that we are spring-loaded for growth and destined for great things! In Steve we are extremely fortunate to have a passionate professional who puts people first and has committed his life to being a learner - in the services of others. We realize that Steve had many opportunities to work with other world class brands and are grateful for his recognition that together we’re better and that the best is yet to come!”
