

# CLEANMASTER

## Dual-Speed Floor Machine

175 / 300 RPM - 1.5 HP

17", 19", and 21"

Safety enhanced interlock switch / both hands are conveniently in control

Fully adjustable handle position / comfortable for all operators

Motor plugs in at handle base / for easy maintenance

Non-marking fixed 6" wheels / for easy transport

Non-marking full wrap bumpers / fully protects floors, walls and baseboards

Safety enhanced non-conductive dual triggers / eliminates shock potential

175 / 300 RPM dual speed / versatility of two 1.5 HP machines in one

D/C rectified motor / eliminates brown-outs, low voltage and startup torque problems

Triple-planetary high torque transmission / handles the most demanding applications

Precision balanced heavy-duty 66-frame motor / easier operation

Two machines in one, for spray buffing, bonnet cleaning, scrubbing and shampooing

All metal chassis / added weight for faster results
